Itinerary:

Southern-Africa is becoming increasingly popular. It is becoming increasingly difficult for us to allocate and confirm a big group at our usual suppliers. We may make use of alternative facilities in this case. But rest assure that they too were picked out by hand and inspected to make sure it is up to our standards and no included activity will be affected. This may however affect distance and driving time listed below the day to day itinerary.

Important to note:

- When booking a flight from our end destination, please consult the office via email or phone to make sure that you don't book a flight (or other transport arrangements) too early.
- The office will be able to assist in making bookings for flights, 4x4 hire and shuttles. Please note that we don't receive any flights at discount rates. This is just an extra service we offer to make booking your holiday easier. No administrative fee will be charged for this service.

Road conditions and infrastructure:

Road in Botswana and throughout Africa are often in poor condition, which makes it hard on our vehicles. We take great pride in our bus and ensure it is serviced regularly and is in a good condition, but breakdowns do happen. Some of the roads we travel are long, full of dust and not exactly smooth sailing. This means that the travel time indicated is just a rough guide and dependant on various factors that are not always in our control. We know that it can be tough, but the destinations at the end of the day are extraordinary!

DRINKING WATER

As a rule we consider all tap water to be not suitable for human consumption, as it may contain different levels of minerals of bacteria than the water your stomach is use to at home. Your body may not be use to this and it can cause illness. It will upset your stomach and it will spoil the rest of your trip. Make sure to bring enough drinking water along.

What happens when Namaqua Tours cancel a tour?

- The tour will only take place for a minimum of 6 people.
- Namaqua Tours undertake not to cancel any tour as far as possible. If it should ever happen that we must cancel a tour, we shall refund your money within 24 hours plus 10% interest per year.

How do I book a tour at Namaqua Tours?

- When you have decided to book one of our tours, complete the application form on the last page of this document. Then
- e-mail or fax it to our office. You can also do a booking over the phone for fast and certain bookings. Feel free to contact us on +27 (0) 27 219 1633 for a telephonic booking. We shall then do the rest (hotel and flight bookings if indicated as such by you). You will receive a tour reference number and the bank particulars of Namaqua Tours. **This reference number must appear on your deposit slip.** This tour reference number must also be indicated on all correspondence with regard to the tour that you booked.
- We DO NOT supply bank particulars without a booking form. The only reason for this is that tour members deposited money in the past without a tour reference number and that they did not do a booking per fax or e-mail. It has happened that prospective tour members deposited money, but that that specific tour was already fully booked.

Kind regards
