### Is this the right trip for you?

- This itinerary features some long travel days.
- South-Africa temperatures rise in the summer months, before the rain comes, to 34 - 38° C
- What you see on your trip may not be the same as seen by other or in pictures, due to it being a seasonal destination and migratory patterns of animals are not interrupted by fencing.
- As the early bird catches the worm, there might be a few early morning starts to make sure of best safari times or to miss morning traffic on long travel days.
- This trip is mainly lodging in 2-4 star facilities that compliment the setting and location we are in. All of the chosen facilities where visited and inspected beforehand to make sure it is up to our standard.
- This trip is operated in a luxury 22 seated 4x4 bus. We endeavour not to take more than 20 people at a time. Single accommodation is therefore limited.

### Itinerary:

Southern-Africa is becoming increasingly popular. It is becoming increasingly difficult for us to allocate and confirm a big group at our usual suppliers. We may make use of alternative facilities in this case. But rest assure that they too were picked out by hand and inspected to make sure it is up to our standards and no included activity will be affected. This may however affect distance and driving time listed below the day to day itinerary.

- When booking a flight from our end destination, please consult the office via email or phone to make sure that you don't book a flight (or other transport arrangements) to early.
- The office will be able to assist in making bookings for flights and shuttles. Please note that we don't receive any flights at discount rates. This is just an extra service we offer to make booking your holiday easier. No administrative fee will be charged to this service.

### Road conditions and infrastructure in:

Road in and throughout Africa are often in poor condition, which makes it hard on our vehicles. We take great pride in our bus and ensure it is serviced regularly and is in a good condition, but breakdowns do happen. Some of the roads we travel are long, full of dust and not exactly smooth sailing. This means that the travel time indicated is just a rough guide and dependant on various factors that are not always in our control. We now that it can be tough, but the destinations at the end of the day are extraordinary!

### Medical & health information:

Travellers, old and young are required to be in good health in order to participate fully on this trip. We expect all travellers to read carefully through the program and asses you on the stress of activities mentioned in the day to day program. If in the opinion of our tour guide or leader, any traveller is unable to participate in activities or on the rest of the tour, they reserve the right to exclude them from the activity or tour at any stage, without refund. The appropriate documentation will be provided for travel insurance.

We insist that when over the age of 65 you consult a doctor for an opinion on your travel to a particular country and /or location. We recommend that you carry your own small first aid kit containing personal required medication and an extra pair of reading glasses. Rehydration salt, motion sickness tablets and diarrhoea blockers is also advisable to have on hand.

### **DRINKING WATER**

As a rule we consider all tap water to be not suitable for human consumption, as it may contain different levels of minerals and bacteria than the water your stomach is use to at home. Your body may not be use to this and it can cause illness. It will upset your stomach and will spoil the rest of your trip. Many of the accommodation facilities we use provide guests with safe drinking water and bottled water is readily available throughout the trip.

### **What happens when Namaqua Tours cancel a tour?**

- The tour will only take place for a minimum of 10 people.
- Namaqua Tours undertake not to cancel any tour as far as possible. If it should ever happen that we must cancel a tour, we shall refund your money within 24 hours plus 10% interest per year.

## How do I book a tour at Namaqua Tours?

- When you have decided to book one of our tours, complete the application form on the last page of this document. Then e-mail or fax it to our office. You can also do a booking over the phone for fast and certain bookings. Feel free to contact us on +27 (0) 27 219 1633 for a telephonic booking. We shall then do the rest (hotel and flight bookings if indicated as such by you). You will receive a tour reference number and the bank particulars of Namaqua Tours. **This reference number must appear on your deposit slip.** This tour reference number must also be indicated on all correspondence with regard to the tour that you booked.

We DO NOT supply bank particulars without a booking form. The only reason for this is that tour members deposited money in the past without a tour reference number and that they did not do a booking per fax or e-mail. It has happened that prospective tour members deposited money, but that that specific tour was already fully booked.

Kind regards
